# THE TRANS-PENNINE 100 

Friday 3rd June - Sunday 5th June 2022
ORGANISED BY THE LDWA VERMUYDEN GROUP

THE ROUTE AND CHECKPOINTS

## Aaron Hookway: Chair \& Main Organiser

As main organiser of The Trans-Pennine 100 I was so anxious running up to the event, it was some of the daft things that kept me awake on a night. I never expected to have a full 48 hour shift over the weekend but I just wanted to be available to not only the team but to any entrant that required assistance. The weekend finished with me so tired, emotional and overwhelmed by the comments made not just over the weekend but on social media platforms afterwards. I have also received a very thoughtful, lovely letter; it is this that pushes me to give the best I can possibly give to my local group and the LDWA flagship event. I think we nailed it kids....
I have asked the team behind me to give me a short and sweet sentence to tell me their experience joining our merry team and the experience over the weekend. Thank you team, I may have been the focal point, the front of house part of the team over the weekend but I would be nothing without the guys above.

## Roy Turner: Route

A pleasure to provide the route (with assistance) and not participate, hearing tales of Wins and Woes.

## Christine Stratton: Marshals Event

Worried that my organisation of the Marshals would fail but had a great team of helpers behind me and it went well. Also, it was a privilege to sweep the last few miles on the main event and bring in Leonard Fallick on his $40^{\text {th }}$ Hundred Completion.

## Abi McDonald: Checkpoint Coordinator

I was roped in by Jane Guest to be CP organiser, a good lesson to keep quiet on social walks! I really enjoyed taking part and feel I was giving back to the LDWA a bit. Some checkpoints required changing due to being booked before the pandemic so it was good to get stuck in with those.
The experience of CP groups is invaluable but more volunteers willing to come to HQ would have really helped. There's a great experience to be gained in return.

## Sandy Gee: Entries

It was an eye opener to see the work involved and how many issues arising were solved with good humour. It was great to walk the main event, seeing it all go smoothly, my favourite 100 (so far).

Jane Guest: Food \& Provisions and Ken Guest: Route Description write up \& CP Booklets
We enjoyed being part of a team that always pulled together when difficulties arose. The catering took a lot of organising over several months but we were pleased with the result and we hope the entrants were.

## Adrian Gosling: Transport

My T-P100 journey started with a chat with Jane on a Calderdale LDWA group walk when it was mentioned someone was needed to help with transport. Seeing the Hundred from the other side is an eye opener when you see what is involved organising our flagship event.

There were last minute bumps but the team was phenomenal over the weekend and put in 12 hour shifts to keep checkpoints supplied and get walkers back to HQ. It felt good to give something back and what a great feeling when the last walker finished.

## Peter Poppy: Finance \& IT

At the conception of the Trans-Pennine 100 event Aaron asked me to be the Treasurer for this event because of my experience as Treasurer for the Vermuyden group. The experience of helping to run Elsecar Skelter walks and as Treasurer of my work's Sports and Social club for several years has also helped.
With the actual 100 not being run for two years, and the aftermath of the Covid Pandemic, it was not easy to budget for this event. Thankfully, due to the good work by Jane Guest and Adrian Gosling in finding well priced food and transport, the event came in under budget.
For some of the committee, the event was the finale of their work, however my work continued as I finalised bill payments; partial refunds for the helpers in the Main and Marshal events and making thank you payments to local groups for manning checkpoints.

After all payments were made we still had a reasonable surplus and so, via SiEntries, we offered all participants a $£ 5$ refund. Only 142 entrants took up the offer so the residue, along with surplus already earmarked by the committee for donation, was given to charity.
The charities chosen were Yorkshire Air Ambulance, Edale MRT, Trans-Pennine Trail, National Trust (Marsden Moor Appeal) and Holme Valley MRT.
My thanks go out to Richard Weremiuk of TrackTrail (supplier of the tracking system) for his help at the event, and SiEntries for processing the refunds even after their refund closing date.

## Sara Dyer: LDWA Hundreds Co-ordinator

I want to say thank you, both personally as a walker and as 100 s co-ordinator, to Aaron and his team, and in many cases their families as well, for all their efforts in organising this event. It has been a long slog with lots of problems caused by Covid and the delay of a year - their stamina is unbelievable. I only walked to Mam Nick but the views on the Friday in the sunshine were amazing and going over Black Hill in the evening was magical - just brilliant to be out on a 100 again. Thank you to everyone who helped to make this happen and everyone who came to experience it - see you next year.......

THANK YOU TO THE MANY VOLUNTEERS WHO HELPED AT THESE CHECKPOINTS

## COMMENTS FROM SOME OF THE PARTICIPANTS (extracts from FaceBook)

Thank you for an amazing event with lovely volunteers and amazing checkpoint food. The waiter/waitress service was second to none, especially when I was prostrate on the floor. As for the journey, it took us through some beautiful and iconic country. The cold wind on Friday night came as a bit of a shock but at least it didn't rain. There haven't been many Hundreds where I've finished with such clean shoes. The tracking was a winner for friends and family. It brought out the cheerers-on for when I went through my neck of the woods. Nick Ham

A massive congratulations to everyone who finished! And a huge THANK YOU to all the organisers and marshals who put huge amounts of time into making this happen. My own journey ended at just over 68 miles - blisters developed quickly and that was that. Paul Crowe

LDWA 100 team you did not disappoint. What an amazing organisation, a great route, fabulous check points, with the friendliest volunteers who not only give up their time but their sleep as well. Thanks also to everyone we had the pleasure of walking with. Lynda Broadway

Thanks for a great event. The route had everything, surface and scenery-wise, the weather was perfect (apart from the wind on the Ridge!), the catering was excellent (the beer at the end was a masterstroke), and everyone couldn't have been more helpful and encouraging. Congratulations and thanks to everyone involved! Fred Hammond

I am elated to be the proud owner of an LDWA 100 badge. Thank you for the immense privilege to have travelled such a wondrous and varied route through such a magnificent part of the country, guided by such a brilliant and helpful route description, reassuringly backed up with .gpx, tended by an army of such thoughtful and kind volunteers at perfectly placed checkpoints - each one unique and distinctive but overall with such an imaginative variety of food and drink on offer. I feel so privileged to have been part of this event so carefully planned and anticipated over years - thank you Sara and the National team, Vermuyden LDWA and all the volunteers and fellow walkers for a most memorable and spectacular jubilee weekend. Maria Drummond

One week on from the event and I have only happy memories. Well maybe a few embarrassing ones too from the odd navigational mishap. It was by far the most enjoyable of my first 3 hundreds - very fortunate to have excellent company throughout and I could relax enough to enjoy the route and the checkpoints. There is a phenomenal amount of thought, and decade's worth of experience, built into the support on offer. Feeling very grateful, and very lucky to have found the LDWA - thank you! Marian White

Having entered my first 100 I got cold feet and emailed Aaron who encouraged me not to bottle out. Thanks for your encouragement, I had the best party! With curiosity, what was going to happen to me? The Trans Pennine was more than I ever could have imagined it was amazing. I was blown away by the atmosphere, camaraderie and stunned by the scenery. What a spread...lots of delicious food including at different stages. Diane Hall

Thank you to the organisers and all the volunteers for a wonderful event. I can't believe I still get to take part in these with my 78 year old dad; it's the highlight of his year!! Jane Audsley

This was my first 100 where I just walked and no jogging. Times were slower, but I saw much more, and was not exhausted by the end, just very tired. I did first 70 miles with two first timers, which was enjoyable. I then sped up for the last 30 miles. I should like to thank all the wonderful helpers. Jeremy Corke

My first 100, massive thank you to everyone involved in the event, huge undertaking, great organisation and the most amazing people at the checkpoints. I was overwhelmed by the support and cups of tea... big shout out to Kent LDWA at Hope, fabulous welcome and much needed nourishment. Thanks team it was great to see you all.
I can't thank enough the lovely volunteer at CP12 when I was struggling to eat and she served me a bowl of jelly and peaches....genius. A big thank you for all the encouragement and sharing of knowledge from the seasoned walkers, very inspiring, I learnt a great deal which got me through to the end. Penny Southern

I ticked off my first 100 miles! Just over 39hrs moving time and 19,000ft ascent, stopping only to eat and shower for over 46hrs. What an amazing feeling to
achieve all I set out to do, 100 miles! Beautiful and difficult route and memories for the rest of my life! Thanks for those I shared miles with and the checkpoint staff. Breeze Rowlands

Massive thank you to everyone involved in organising this. It was our first 100 and managed to complete although a bit sore and hallucinating. Fantastic checkpoints and the right food. Met some lovely folk along the way who kept us going when things got tough. Tracey Hughes

A big thank you for running this excellent event. We had done a lot of reconnaissance so knew it to be an brilliant route, though the strong winds did made it a little harder on the day. The catering was excellent at all Check Points, lots of good solid food to eat even for us slow ones near the back. All the Marshals did such a fantastic job, all the way round everyone was so helpful and encouraging. Also the bottle of beer at the end was a nice touch. Roger Jackson

Anybody else disappointed by the service at home compared to the TP 100? I sat down yesterday, requested a cup of tea with two sugars and asked what was on the menu. The response? What do you think this is...a bloody restaurant and since when did you have sugar with your tea? Guy Evans

Many thanks to all the team who organised and worked so hard not just on the day but in the lead up to this event. It was superb with such lovely volunteers at the CPs. Weather was close to perfect even though it was windy from Laddow Rocks onwards and very chilly from dusk over Mam Tor etc. Karen Nash

Many many thanks to the organisers, marshals and other competitors. What a truly fabulous event you created. It was my first LDWA 100, didn't manage the full course, stopped at Hope due to blisters but did enough to qualify for next year, so I'll be back. Well done everyone. Dianne Matthews Graham

So this was my fourth completion of a LDWA 100 and again it didn't fail to provide mile upon mile of ...ahem...joy. Many thanks to the Organisers and all the volunteers without whom this event would not be possible. I'll finish with a quote overheard on section 1 as we made our way to CP1. As we passed a young father teaching his young son to ride a bike he said "All these people are walking a hundred miles, isn't that a long way?" to which the simple reply came "Why?" Out of the mouths of babes eh? Phil Bedson

Thank you from the bottom of my heart to ALL the volunteers who have sacrificed their time to make the event possible. The work that has gone in over the last 6 years really shows. Such well-run organisation from some of the kindest most generous people I have met. Thank you once again for helping us create a memory and an achievement that will last a lifetime. Nichola Jackson

What a mad lot we are. It's ridiculous enough to think that you want to walk 100 miles, let alone decide to spend your free time looking after the ridiculous walkers - or to spend years organising such an event! This was my 9th LDWA 100 , and once again it didn't disappoint. It was a marvellously varied route, with ups and downs mixed with fast (relatively, in my case) flat miles. The weather was varied as well, perhaps not so marvellously - although thankfully it didn't rain. Thank you so much. I'm starting to look forward to the next one already. Nancy Bunyan

Adding my thanks to all involved this weekend. Had a great time and met some really lovely people - walkers, runners, volunteers and supporters alike. A unique bunch of people sharing something rather special. The atmosphere at the LDWA 100 is quite unlike any other event I do, in a good way. Elaine Battson

Thanks for a great event! We are now both awake enough to put the latest certificate on the wall. Until next year. Kathy and Ian Sanderson

I've been reading through all the lovely photos and comments on FB and seeing peoples' posts that I happened to have the pleasure of meeting, walking and chatting with for a time. It's just fantastic, heart-warming and I feel honoured to participate in such a special event. Fiona Bennett

I was truly humbled by the people I met attempting or assisting on the TP100. That will be my lasting memory, and the answer to the question I was asked but couldn't answer: 'what was your reason for entering?' And I realised the secret to sort all the world's problems...'you sit down and let me get you a cup of tea'. Well done to everyone who was part of this extraordinary event. Roger Frost

Just want to echo all the other thank yous. Must be a huge organising feat, and the volunteers were all amazing and so helpful and friendly. Thank you all! Sue Cunningham

Thank you to everyone for a fantastic event. The route took in some stunning scenery, at every CP I felt thoroughly looked after and well fed, organisation all seemed well planned and under control. Whoever was in charge of weather did as well as you could ever expect. Charles Colbourn

Thank you to all involved in organising the TP100, what an event, and heartfelt thanks to all the marvellous checkpoints with so many caring people, treasured memories..... Now back to the beer... Jude Rickwood

Thank you so much to the 100 Organising Team for a really wonderful event! Such an adventure! And to all the marshals at the CPs. You are all amazing people. Everything must have taken so much work. Thank you!!! Well done to everyone. I loved meeting everyone over the weekend. Amy Lomax

Acknowledgements: Our thanks to Michael Jones and Michelle Armour for photos taken at the start, and especially to Simon Pipe for allowing us to use many of his photos that were taken on the route (there are lots more of Simon's photos and videos, and those of others, on the Memories page of the TP 100 web site).

Our apologies if we have omitted names of volunteers; this was not intentional and we are grateful to everyone who helped make the event a success!
