- [Wendover Gap Report & Results](#)

Well . . . what a great success our 4th Wendover Gap became. Most of our helpers arrived before 7.00 am to help set up the hall, park the cars & provide pre-walk teas etc. A few of these good souls even went on to complete the event as well & then carried on where they left off in helping us. Others ran their checkpoint only to return to base to carry on working either in the kitchen or on the time keepers desk. Without the good will of these great friends, we could never host such a successful event.

After a slow start with the pre-bookings, the walkers & runners just kept on arriving on the day. We took nearly 100 entries in the space of 1 hour. We offer extra thanks to the helpers on those desks & to our parking marshals who squashed cars into spaces where cars shouldn't fit. We only had 12 start on the 8½ mile route but 85 on the 15 mile route & 133 on the 26 mile route, making a total of 230 people actually out there walking. We also had 21 non-starters from those who pre-booked. Congratulations to all those who finished & commiserations to the 3 retirees.

A special mention to all those who completed the first wave of our triple challenge. We handed out 44 certificates & badges. We must, though, offer our biggest congratulations to both Chloe aged 7 & Michelle aged 10 who completed the 15 mile route to become our youngest to win this award.

Many thanks go to you, the walkers & the runners. Without you all showing up on the day, we would have no reason to organise these walks !!! We held our Marshal's event on Saturday 23rd February. Sandra Hyland, Norman Corrin, Gill Bunker, Judy Wheeldon, Lynn Yorston, Coral Yorston, Gordon Shaughnessy, Lee Brimmer & Adrian Moody completed the 15 mile route in 5hrs 40mins. Michael Hyland, John Nickerson, Steve Clark, Steve Smith, BIG Dave Carter, Nigel Schofield, Brian Layton & Adrian Godwin joined me, Dave Yorston, taking 9hrs to complete the 26 mile event.

RESULTS

8.5 MILE ROUTE

<u>Position</u>	<u>Number</u>	<u>Time</u>	<u>W/R</u>	<u>Name</u>
