A marshals' walk did not officially occur before the Anytime Challenge took place because the Covid restrictions did not allow any groups to walk locally. It was only on 29th March that groups of two were allowed to walk outside of their local area. That is when **Gill Bunker & Rachel Martin, Anjane Neat & Adam Neat and Dave Findel-Hawkins & Merrian Lancaster** kindly volunteered their services to recce and risk assess the Short, Medium and Long routes respectively, before the event started on 12th April.

Thanks to them for their help.

Roy Carter
