Dear Long Distance Walkers Association Beds, Bucks & Northants.

Thank you so much for your generous donation of £100.00 for Thames Valley Air Ambulance.

We hope you'll feel as proud to be part of the Thames Valley Air Ambulance team, as we do.

**How your donation saves lives:**

On an average day, our crews can be called out seven times to treat people in need. You ensure that, within minutes, they bring the expertise, equipment and treatment of the hospital to the most critically ill and injured patients across Berkshire, Buckinghamshire and Oxfordshire.

Your funds allow our helicopter and critical care response vehicles to carry a doctor as well as paramedics. With both a paramedic and doctor on board, we can deliver advanced hospital-level emergency care, setting us apart from the standard ambulance service.

Your gift facilitates training and development, with each crew member experiencing realistic practice scenarios, so they're ready for any eventuality.

Funded by your donations, our Aftercare service helps patients, their loved ones, and bystanders. Whether they're dealing with physical injuries, a bereavement, or coming to terms with witnessing something they could not have imagined, the Aftercare team is there for them.

**We simply couldn't do any of this without you.**

To learn about these missions and to discover the many ways your donation is helping, please do visit [www.tvairambulance.org.uk](http://www.tvairambulance.org.uk).

Once again we'd like to thank you for your generous support and welcome you to the Thames Valley Air Ambulance team.

Yours Sincerely,

Nicola Bishop

Community Fundraising Manager
