

CHILTERN KANTER

We hope you all enjoyed your day in the Chilterns, and by the way everybody came back cheerfully clutching their answer sheets, we think you all had a good time.

We found that no sooner had the last walker left the hostel than the first runner re-appeared. We barely had time to adjust our watches. Therefore we booked the runners in on British Standard Time and the walkers in on British Summer Time.

Thanks to everybody who entered and to all who helped in the preparations and on the day. It will be nice to see you all again on the next Kanter in two years' time.
