Just under 200 walkers/runners took part in the event, which was the first from Tring. The new venue overcame the few problems we had at the previous venue and appeared to be very popular with the participants.

The general feeling was that it was a very enjoyable event, the conditions on the day were excellent and as usual the helpers did a great job in ensuring everyone went away well satisfied.

We hope will see you all again 2005, and many thanks for your support.

Derek Jacob
