

9th Pick & Mix – Sunday 1st June 2025

Following the driest spring on record, the weather managed to hold for our third event from the Wendover Memorial Hall. We kept all routes as per 2024 with the exception of another HS2 detour on the red route. We did get good comments too on the new upgraded towpath along the Grand Union canal.

As before, we offered a 10 mile, two 8 mile, a 6 mile route and a 5 mile route that all took different paths leaving the town. We also kept the wheelchair and buggy friendly 2 mile interest walk around the town. All these routes were well attended and greatly appreciated with the variety of paths, canal towpath, hills and wooded terrain.

Well done to the 3 walkers who covered the furthest distance of 37 miles each in 5 loops and to the 2 walkers who completed the greatest number of 6 loops each covering 27 miles.

All credit to everyone for completing their chosen routes.

We have received many lovely messages of thanks. Everyone gives the impression that they had a really great time. May we say another big thank you as we had a great time too.

Many thanks to all who helped us in advance and on the day -
Merrian Lancaster, Dave Findel-Hawkins, Karen and Phil Vidler, Alan Leadbetter & Joe Leonard.

In total 153 walkers covered a total of 2884 miles in 394 loops

WELL DONE

We look forward to seeing you all next year at the same venue on Sunday 31st May 2026.

Marshals' Event

We held an 'anytime' marshals walk this year to allow as many as possible to take part. Also, two marshals completed loops on the day and are not included in the main results.

If anyone would like an event badge, please send a stamped, self-addressed envelope to

Dave Yorston at 3, Lodge Lane, Prestwood. HP16 0SS

Again, many thanks to all who helped and to all the walkers.
Congratulations to you all. You made it a day to remember.
