1991 SHILLINGTON SHUFFLE RESULTS.

The BBN group would like to thank all the entrants for making the first Shillington Shuffle a success.Although the weather could have been kinder, the promised heavy rain managed to keep away till after the event.We recieved many comments on our "excellent" checkpoints , and friendly helpers. This also helped to make the walk a success. We hope to cure the small parking problem we experienced for future events. "Shortly" we will start planning next years event, and "eventually" we will get it 100per cent right!! See you all again in 1992
