|                       |      | MARK WESTON          | RETIRED |

John Nickerson who devised this walk was unfortunately away this year working in America. He missed a perfect November day with warm sunshine and beautiful autumn colours.

It made a pleasant change from previous years of either, rain, fog and strong winds.

We had 277 entries including 67 on the day.

255 started, 134 on 26 mile route. 121 on 17 mile route. 250 completed. With a special mention to David Sorensen aged 9 who completed the 26 mile in 8hrs 30min.

It's a big thank you to all the group members and their families who helped on the day.

It's a very long hard day but a rewarding one if you feel things have gone well.

Next years walk is on November 17th  
Hope to see you all again then.

Herbert Papworth.
