

RESULTS AND REPORT OF THE 7TH SHILLINGTON SHUFFLE

SUNDAY 16TH NOVEMBER 1997

Hi,

I know you all had a good day at the Shillington Shuffle - you all told us so on your return to Barton Hall. We enjoyed the second best weather of the seven events held so far, with little rain, light winds and very mild temperatures. Some entrants saw views they never knew existed this year!

The checkpoints around the route and at the end provided excellent fare, and friendly helpers to keep you all "happy". We had over 25 helpers on the day, and each one was truly needed to keep things going smoothly.

To all entrants, and especially to all helpers, I would like to say thanks, and see you all next year on Sunday November 15th 1998.

JOHN NICKERSON
