

2004 STEPPINGLEY STEP RESULTS.

Well, another BBN group Steppingley Step Challenge event over for a further year. Despite clashing with a local and special marathon run we had a higher entry than last year. However, the number of non starters was exceptionally high. The weather was not too bad by SS standards and the going underfoot was generally good. Sorry about the wet patch near the end – the council has been aware for over 2 years now! Thanks to all you entrants for the nice things you have said to me again this year regarding the lovely checkpoints and the even better people running them. Without the check pointers there could be no walks. We had 24 of them! Well it just remains to say thank you all for coming to our event, especially those for the first time, and hope to see you all again next year. Hope to be back to our usual day next year – Remembrance Sunday – Sunday Nov 13th 2005

Thanks John Nickerson.
