Dear Dave

I'm writing to let you know that Thames Valley Air Ambulance has received your kind donation of £207.00 on behalf of the Long Distance Walkers Association Beds, Bucks and Northants sadly cancelled Pick & Mix Walk. This is an amazing amount of money, which could pay for a person in a critical condition to receive 2 units of blood, so thank you so much. Please do pass on our thanks to all of the entrants who kindly donated their entry fees to us.

During the Coronavirus pandemic, Thames Valley Air Ambulance has continued to provide our prehospital critical care service across the Thames Valley. In April and May 2020, we also supported our NHS colleagues with our paramedics and doctors working a total of 616 hours in the John Radcliffe Hospital, the main regional Covid-19 treatment centre, and our crew spent 276 hours on shift available to provide a patient transfer service between hospitals to help stop them being overwhelmed. Now, we are seeing our number of call outs back to what we would expect for this time of year – so your support and fundraising continues to make a big difference.

With your help, we are proud to be an organisation that is committed to constant development and enhancement and above all else, we are committed to patient care.

Kind regards

Nicola Bishop
Community Fundraising Officer
