Walks Coordinator

At the last committee meeting, Dani Licheri resigned as a coordinator, effect this AGM. Tim Ryan informed the meeting that he and his partner planned to move back up north, and thus he would probably be giving up the role in Q2 2023.

Jonathan C expressed an interest in taking on Dani's role - Tim Ryan agreed to document how the role worked in practice in C&D, and to share that with Jonathan.

Walks Programme

The Sidmouth Saunter and Chagford Challenge 2023 have been agreed.

Bude Rugby club in the last week or so agreed to hire out their clubhouse on Saturday July 1st 2023.

There will be a Marshalls walk a week or two beforehand - Julian P will provide details at a future date.

Report from Local Groups Weekend (20/11/2022)

Secretary and Julian P attended the Local Groups Weekend in Derby. Their report [can be found here](#): (Notes from Local Groups Weekend 18/11/2022 - Buxton).

C&D 100

Julian P proposed that Cornwall & Devon formally apply to host our sixth 100 in 2027, based on the South East Devon coastline and into Dorset

For a 100 in 2027, a formal application must be made in August 2024, when it will be considered by the National Committee alongside any other applications.

The meeting supported Julian's proposal.

Julian agreed to draw up a set of action points for the next six months, and to present them to the Committee and members at the next meeting.

Note: extensive details describing the process of putting a 100 together can be found in the toolbox.

North Devon Search and Rescue Appeal

If any of our members walking on North Dartmoor get into serious difficulties, it is highly likely that the North Devon Search and Rescue organisation will be called out, and will have a key role in any search & rescue operation.

North Devon Search and Rescue's Incident Control Unit requires urgent replacement. They have [a fundraising page here](#).

Meeting agreed to donate £500.00.

Next General Meeting

Our next meeting will be a face to face on 15 April 2023
Venue: Bovey Tracey Methodist Hall
