

Essex and Herts LDWA December 2021 update

Hello everyone!

December is here already, and so begins our month of Christmas walking. We have festive walks planned for the next three weekends - please get in touch with leaders to check if there are still places available. All the details and contact email addresses are on the future walks list on our website [Essex & Herts LDWA - Future Walks](#)

And a reminder that the Blackwater Marathon Anytime Challenge is open till the end of December – entry is just £5 via SI Entries: [SiEntries - Blackwater Marathon Anytime Challenge](#) Choose the right day to walk it, and you'll be treated to some glorious sunrise/sunset views over the sea wall! Completion also counts towards the Essex and Herts Triple Challenge together with the Essex Walker (10th April) and the Herts Hobble (26th June).

Our first Challenge event in two years - The Stansted Stagger - will be taking place on January 9th. Again, you can enter via SI entries [SiEntries - 20th Stansted Stagger](#) . And thank you to everyone who has offered to help on the walk – we will be in touch with you shortly.

Here are a couple of photos from the Marshals' Walk last month.

Approaching Thaxted

Checkpoint 2 at Broxton

And while we're on the subject of photos, here's a plea from Stuart Bain (LDWA NEC):

Can I ask a favour? We want to make some content changes to the LDWA website and we really want some really good photos to freshen up the look and feel of it. I'm specifically after photos containing group social walks, people (smiling!) in landscapes, quirky LDWA related photos and of course any food related photos from challenge events. Send any photos to me at environment@ldwa.org.uk. Thanks!

That's all for now – the next update will be circulated in the week beginning 13th December

Enjoy your walking,

Jackie
