

The 2025 Birmingham Canal Canter results

Thank you for entering the 2025 edition of the Birmingham Canal Canter. The event went off without any major issues.

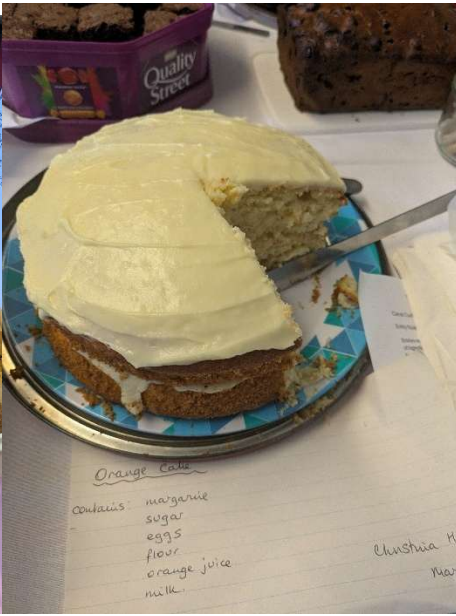

There were 194 starters across the three routes.

The results below are what is recorded on the paperwork at the check points. Timings are as accurate as our records can make them. The times on certificates may vary to the those in the results and to your own recordings – the adjustments for the starting imprecise starting times added to the complexity of the calculations at the finish.

The other results to bring you are the cake competition results. Firstly thank you to all who brought a cake in. Those that I tasted were delicious. The winner of the participant section was the Chocolate and Hazelnut Layer Cake baked by Kath Deighton her prize will be of the way to her.

The marshals competition had a three way split with the final adjudication going to the Ginger & Carrot cake bake by Dave Powell. There are honourable mentions to the Orange Cake baked by Christina Haddon, The Blackberry and Apple Crumble Cake baked by Carol Fisher and The Somerset Apple cake baked by Sally Hicks. Some pictures below.

It looks like we will be running a Canal Canter next year there will be a few changes – it is Heart of England's 30th anniversary so possibly a longer challenge as well. Date yet to be confirmed, keep an eye out in Strider or on SI Entries. Hope to see you next year.

The results of the challenges follow – split into distance credited and in alphabetical order (Surname, First Name)
