

## **AGM: LDWA London Capital Challenge 2024 Report**

The Capital Challenge in 2024 is taking place on Saturday the 6<sup>th</sup> April and will be following the original route.

The event is sold out (220 participants) and has a healthy waiting list. Registrations formally close on the 15<sup>th</sup> February.

The checkpoints have been confirmed apart from the one in Paddington Station (due to new Health and Safety rules) and so I am working on what an alternative option might be.

We have a number of Marshalls signed up and final details of all CPs and arrangements will be sent out in March – any further volunteers to help on the day are always welcome.

Susanne has completed the route Recce and the draft description and GPX will be finalised on the Marshalls walk in March.

The budget was submitted to the Committee and is estimating a profit, however the exact amount will be finalised over the coming months.

I look forward to seeing many of you on the day, either as a volunteer or participant.
