

Charity Donations

Each year the Norfolk and Suffolk group usually generates some surplus funds, mainly from organising and running challenge events. A percentage of any such surplus is then donated to designated charities.

The charities can be proposed, by any of our members, for nomination at the following year's AGM. If there is a charity that you would like to nominate, in advance of the AGM, please advise the Group Secretary at norfolkandsuffolk@ldwa.org.uk. The charity will then be added to the nominations.

At the AGM the nominations are put to the vote and the donations allocated accordingly.

These are the charities that we've donated to in recent years: -

2025

East Anglian Air Ambulance

2024
