AUTUMN/WINTER 1975 ACTIVITIES

The season started with an enjoyable and testing course at the Haslemere Kanter put on by Liz and Terry Pamplin. However, a disappointingly small attendance - why? Saturday?? The new Burley Roundabout in the New Forest was well supported by Surrey who won the team prize. 5 members walked the London Countryway from nr Berkhamsted to north of St Albans, having an enjoyable day. We found a cafe which supplied poached egg, 2 slices of toast and a cup of tea - all well made - for 19p! 5 members also had a very good day in December on a walk round Redhill led by Tony Youngs, with a splendid diagram of the route.

The New Year started with a bang with the Surrey Inns New Year's Day Kanter which a satisfying 94 enjoyed, though only 60 finished. Some pubs were hard to find and even harder to leave! The 1st Winter Tanners was also started by an amazing 62, of whom 40 or so appeared to finish in marvellously mild weather.

The new programme is a full and varied one, with something for everyone. However, we are particularly keen to see members at the Hot Lunch Ramble, complete with wives, etc - the major social event of our year! Please book now. Also an innovation of an evening meeting in May at a pub in Central Surrey (Ashstead). All members are very welcome indeed, with ideas/grumbles or just for their happy selves. At our last meeting we appointed a Press Officer - Bob Ball, 19 Busdens Lane, Milford; Godalming (God 28102). Give him the newsworthy titbits.

Keith Chesterton (Sec)

"Firle", Chestnut Avenue, Guildford (Guildford 63392).

NOTES:

1. All members who have not yet done so - Annual subs at 20p now due. Please make any cheques payable to K Chesterton. (We don't want a bank a/c for our small amount of money!). Better to send stamps (19½p).
2. Anyone wanting a list of Surrey Members - for potential lifts, etc, please let me know.
3. Eager volunteers wanted to checkpoint Cleveland 100. See Jeff Ellingham.
4. Don't forget the 4 May meeting.
