

After three years of putting a lot of his time into leading the Surrey Group into a full calendar, catering for all needs, Keith Chesterton has asked to be put out to grass - presumably to walk on it. Keith will continue to rule the roost as Chairman at our social meetings. Doug Sudbury has had to miss most of our recent meetings due to pressure of his sporting social work, but a change to a Monday for our meetings might enable him (and a few others we hope) to join us again.

I have produced this programme but find I don't have enough time to devote the required time and energy, so would be grateful if someone would takeover as soon as possible.

Ralph Henley is in charge of membership and subscriptions - so send your 30p's to him.

This programme carries on from the last one as from March 20th when a clash of dates with Kent's 7 oaks circular 30m means that Tony's Chalk to Chalk moves back to July 24th
