

Punchbowl Marathon 1996 - Results

Despite rough weather surrounding the day, Sunday February 4th was a beautiful crisp day, reasonably dry under foot and ideal for walking. The result was some very fast times with the 1st home, Chris Fanning taking only 3 Hours 50 minutes. This compared to his 4.30 for the previous year, for the same course. Almost everyone was faster than last year, which caused the checkpoint marshalls some problems at the beginning.

There were 3 separate start times to allow the faster people to start later and prevent checkpoints having to be open too long, but some entrants still started too early. Please don't underestimate your speed!

246 entered the event (66 on the day), 15 failed to start and 7 did not finish, giving 224 finishers, only 4 of whom were outside the official time limit of 10 hours. The finish marshalls were left wondering about 2 starters, who it was eventually discovered had gone home for a meal without telling the organisers! A phone is specially provided so that problems can be reported. I know fatigue can make people forgetful, but this might have resulted in search parties being sent out and many hours wasted.

The route description had been titivated since last year, with the help especially of Ann Sayer, who made sure than any ambiguities left by the organiser were removed. As a result most participants had a trouble free event. We had a number of congratulations for the event - much appreciated - and a complete set of photos taken on the walk by Michael Benison, who still beat 8 hours.

The food was again as last year, except that we purchased higher quality bread. Did anybody notice? We'd also be pleased to hear of any other food suggestions, & will try to take account of them if we can.

As always on events, I would like to thank the marshalls, who made it all run smoothly (so far as the entrants were concerned!). Perhaps most of all my thanks to the famous five - John Lay, Les Maple, Gillian Bull, Richard Ireson & Margaret Steer, who ran the Gibbet Hill checkpoint from a tent, cheerfully and who nearly suffered frostbite up there. It's just the place to test out the thermal underwear! Ann Sayer, Diane Scaife, Mr & Mrs Challenger & Sue Boyman looked after Fernhurst and Janet Chapman with William Brown, Caroline Saunders and Ray Jolly ran Tilford.

At Witley, Jeff Ellingham & Ray Jolly did the starts, Don Turner the finishers & Lesley Nightingale did both. The kitchen was looked after by Derek Bowdell, Chris Wade, Peter Edwards, Peter Clark, John Lay, Sylvia Steer, Peter Short & John Robinson (both after finishing), Jeff Ellingham and Reg Chapman. Ann Sayer checked the route description, Jeff Ellingham booked the hall and Reg Chapman took the entries, bought the food, organised the food and equipment and kept me going! And after the event, Harry Wickens produced the comprehensive results. My heartfelt thanks to you all.

4 marshalls completed the marshalls' walk on a very dull day (January 21st) unsupported. William Brown took 7 hours 40 minutes & Ann Sayer, Janet Chapman and John Lay 9.35.

Next year's Punchbowl may follow the same route, but we may try and avoid the Gibbet Hill Checkpoint. Thanks for entering and I hope to see you next year. A happy year's walking!
