### REPORT & RESULTS OF THE PUNCHBOWL MARATHONS 17½ & 30 MILE ROUTES on 29.I.84

The fine weather of Saturday seemed to persuade most of you to leave home with optimism, and so a record 522 Starters, out of 584 entrants, enjoyed fine weather all day. Unfortunately a high proportion (198, double the expected number) of these were on-the-day entrants, and this put a strain on the pre-arranged facilities of Parking, Catering and Human resources. So although all concerned were pleased to see an increase of 33% in the number of starters - PLEASE pre-enter next year. We'll then be able to give all of you a better service.

200 attempted the 30 mile route & 259 started the 17½ miler. Of these- 187 completed the 30; 20 the 26 mile & 25 the 24 mile alternatives. Only 10 registered as having joined the 17½ milers at Checkpoint One & thus walked 21 miles; so although 287 registered as 17½ milers at the Finish, 26 of these must have walked 21 miles and been too modest to admit it.

The four alterations to last years' route seemed to be appreciated by most, and the good weather enabled the fine scenery to be enjoyed. Blackdown Trigonometrical Point has still to be seen to be believed by many, so next year extra instructions for it's locating will be added to the route description.

Mark Pickard's running comeback (from a bad leg infection) continues, but 3000' of climb took it's toll just 2 weeks after his fine Winter Tanners effort. With so many now running/jogging for part or aliof the way on our Events, it may be of interest to WALKERS, that Peter Barnett, Dan Hadfield & Mervyn Harvey were the first Walkers home on the 30 miler in 7 Hours 21 mins.

An Event of this size requires help from a lot of people on the day, & as usual working on the paperwork, at the Checkpoints & in the Kitchen is less enjoyable than Walking. Thankfully many of the fitter Surrey Group members started early & wrked hard in the Kitchen when they had finished. To those who had to work through from 7am to 7pm without the benefit of a walk as well, I am even more grateful.

The mountain of paperwork on the day covering Registration, at the Start & Finish & Checkpoints; plus the Certificates & Results was ably taken care of by :- Mrs Lesley Nightingale, Mrs Rowena Douglas, Miss Rita Buckmaster & Messrs Gerry Weston, Ivor Trevitt & Chris Hamm.

Of the Marshalls only Tom Anderson was available from last year, & Harry Lowe was the only genuine volounteer. So if any of you have family or friends sitting waiting for you at home, please bring them along next time to join in the Camaraderie until you're ready to go home. They might then look upon your efforts to get away walking at weekends more kindly.

Checkpoint One was ably manned by John Westcott, Valerie Challenger & Harry Lowe. Checkpoint Two was in the hands of Tom Anderson & Harry Lowe again. All the above Checkpointers then spent much time in the Kitchen. Once they had showered the following worked in the Kitchen until 7pm:- Peter Short, Dave & Pauline Shore, Ken Saunders John Robinson & Terry Kemp. This team being organised by your Cooks - Mrs Anne Anderson & Christine Butterfield. My thanks also go to Christine for the design of the Certificate; and to Chris Steer for the Printing, and Di Davis-Knight for some of the Typing.

I would also thank the many walkers who expressed their appreciation to me for staging the Punchbowl Marathons. It does tend to take over my life, but all the work becomes so worthwhile when you see the smiling faces of the walkers as they stride into the Finish. I hope you all enjoyed your day out.

Jeff Ellingham, Farthings, Wheeler Lane, Witley, Godalming, Surrey. GUS 5QU
