

SURREY GROUP

REPORT AND RESULTS OF  
EVENT HELD 21-22 APRIL 1979

THE FOURTH "SURREY SUMMITS" 100 Kilometre Challenge Walk 21/22 APR

Although we like to think of the "Surrey Summits" as being the South's answer to the "Fellsman" it has yet to claim the support of its northern rival. The hundred plus entries were a lot down on the number of the previous year and rather less than the organisers hoped for. As walks go the event is long and tough and this year was ideal training for the "Dartmoor Hundred"

The weather for the whole of the event was dry and fine although mist was encountered during the early hours of Sunday. As yet the route not become as well tramped as the Lyke Wake Walk but several people now know it well enough to get around with not too many navigational problems. Whether this was the main reason or whether it was the conducive conditions that enabled many of the finishers to better their times or previous attempts it is not clear. Conversely others, and some of them successful hundred milers, failed to complete the course.

The first to arrive at the final checkpoint were Martyn Greaves and veteran Ernie Bishop who were nearly an hour faster than the first finishers of 1978. For three consecutive years Martyn has been one of the first finishers. Among the others to complete the challenge were the father and son "team" of Bryon and Steve Alden, brothers Tony and David Cartwright, and a solitary lady Barbara Blatchford who was completing her third "Summits". In addition to the two legged walkers one canine participant completed the route and duly collected a certificate.

This year we welcomed our first overseas walkers Jaques Warland from Liege, Belgium, and Jan van der Linden from from the home of continental walking Nijmegen, Holland. Both no doubt found the terrain a little hillier than in their own locale but they too successfully completed the giant circuit of Surrey Hills.

On offer were the Leith and Gibbet Trophies but whilst there was just one team in for the latter bowl not a single team contested the former. For the uninitiated the Leith Trophy is awarded annually to the first team of three to finish provided that they live outside Surrey and the Gibbet Trophy is for teams from within the county.

Soon the "Surrey Summits" cloth badge will be seen on a few exclusive anoraks and maybe this will help to increase the popularity of the event which as those that have completed will confirm is truly great test.

A.W. Blatchford

STATISTICS

	1977	1978	1979
ENTRIES	77	169	106
STARTERS	61	141	96
FINISHERS	45	90	77
FEMALES STARTING		18	2
" FINISHING		11	1

The next "Surrey Summits" will be in April 1980 . Refer to "Strider" for details.

EVENT SECRETARY is Ralph Henley, 42 Metcalf Road, ASHFORD?Middx.
