Karen Wardle – Secretary
West Lancs LDWA

24 April 2020

Dear Karen,

Thank you so much for your kind donation of £100.00 following a presentation of CPR your club received at Horwich Fire Station. Your generous donation will immediately go towards helping members of the fire and rescue community who require our support.

We exist to support the everyday heroes of the UK's fire and rescue community through the delivery of life enhancing health and wellbeing services. We operate from three centres and within local communities across the UK to support our beneficiaries to make a positive change in their lives whether recovering from injury, illness or psychological trauma.

For more information regarding the Charity and fundraising, please visit our website:

Please accept this letter as safe acknowledgement of the donation for your records. Unfortunately, due to the unprecedented situation with Covid-19 we are not able to bank the cheque at this time. Rest assured that we have stored your cheque securely and will ensure it is banked as soon as the lockdown measures are lifted. If you wish to discuss this further, please do not hesitate to contact us on 01256 366566 or customercare@firefighterscharity.org.uk

Once again, thank you very much for your generous gift. With your support, we will continue to help more people in need.

Yours sincerely,

Liz Wylie
