

## PEWSEY DOWNSAROUND 2026 - CHECKPOINT 3

### Connect your smartphone to the WiFi in the Avebury Social Club

If for whatever reason there is no WiFi signal/connection, resort to the manual recording process.

### Browser settings

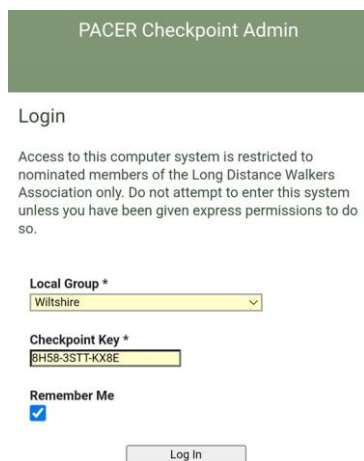

As there are known issues with all versions of **Chrome** so please do not use it.

For Apple devices use **Safari** and for Android use **Firefox**. On my Android device, I went to **Settings**, searched on '**Browser**', then clicked on **Browser App**, then selected **Firefox** to make it my default browser.

### Pairing your smartphone with a scanner

Pairing your scanner with your chosen recording device is done in much the same way as you would pair any other accessory. Open bluetooth settings, turn on the scanner (small slider switch beneath its head), press and release the scan button and wait until "C barcode scanner" appears. Tap to connect. In future whenever you turn on the scanner and squeeze the scan button it will automatically connect.

### Login to PACER

The screenshot shows the login interface for PACER Checkpoint Admin. At the top is a green header with the text "PACER Checkpoint Admin". Below this is a "Login" section. A warning message states: "Access to this computer system is restricted to nominated members of the Long Distance Walkers Association only. Do not attempt to enter this system unless you have been given express permissions to do so." There are two input fields: "Local Group \*" with a dropdown menu showing "Wiltshire", and "Checkpoint Key \*" with a text box containing "8H58-3STT-KX8E". Below these is a "Remember Me" checkbox which is checked. At the bottom is a "Log In" button.

To access the checkpoint admin area for CP3, enter [www.ldwa.org.uk/admin\\_clubs\\_new/checkpoints/checkpoint\\_login.php](http://www.ldwa.org.uk/admin_clubs_new/checkpoints/checkpoint_login.php) into your browser. Select **Wiltshire** from the dropdown list, then type in your unique checkpoint key: **8H58-3STT-KX8E**. Click on **Remember Me**.

To navigate around PACER click on the 3 horizontal bars

When using the scanner, you must have the **Scan Times - Mobile** screen open.

When you scan the barcode on the entrant's tally, their details will appear, and the numbers in the coloured boxes will update.

| Checkpoint                                           | Expected | Through | Stopped | Outstanding |
|------------------------------------------------------|----------|---------|---------|-------------|
| Start - Pewsey Scout Hut                             | 244      | 0       | 0       | 244         |
| Checkpoint 1 - Knap Hill                             | 0        | 0       | 0       | 0           |
| Checkpoint 2 - St Mary's Church, Calstone Wellington | 0        | 0       | 0       | 0           |
| Checkpoint 3 - Avebury Social Centre                 | 0        | 0       | 0       | 0           |

To see how many entrants have started and are due to pass through CP3, please go to **Summary**.

Please note the CPs 1 & 2 are using the manual recording system, so their numbers won't start changing until the checkpoints have closed and their paperwork has been returned to HQ.
