

The Balloch Bimble

16 mile Keith to Huntly linear walk

Saturday 22nd March 2025

8 members of the North of Scotland LDWA did this 16 mile linear walk from Keith to Huntly via Meikle Balloch (366m), the Riggins Treasures and the Bin Forest. The weather stayed dry all day and there was a stiff breeze on top of the hill. At the end of the walk we all caught the bus back to the start point at Keith.

A good day out in the Moray and Aberdeenshire countryside with plenty of interesting things to see! Many thanks to the members that took part in this walk.
